## President's Corner

Hello Members,

Spring is nearly here and the Association is nearing the time we really need to reach out and start promoting Cowboys Night Out! It can never be too early to make those contacts and line up some ticket sales. It would be incredible to sell out this year!

I hope you have had the chance to see our shiny new sign on the North Loop! Great job all, especially Buster, Lisa, Robbie, Rick, Skip, Wendy, Blair, Kelli and Phillip. I know I have inadvertently left someone out, and for that I apologize.

I am especially proud of all who made the Michael Malarsie event a HUGE success! The membership stood up for this local hero and for that I am very proud to be a member! Connie and Julie took this one on and really made it a huge display of how our members can really make a difference in our community!!

Thanks again to all who supported me in the Council elections. We must never forget our liberty and the right to vote for the candidates of your choice. That makes us the United States of America!

Hope to see everyone on the 30th!

Kevin

## Malarsie Fundraiser Update:

On behalf of Michael and the whole Malarsie family, thank you so much to all the wonderful committee members for the part you played in making Saturday's event such a huge success! Everyone worked so hard to pull this together and we can't even begin to express our gratitude for your service. There was such an amazing turnout and it was such a great experience to see the community come together as they did. It was a huge success because of all the hard work you all put into this so we thought you should know that your efforts truly paid off and we ended up raising just shy of \$70 thousand dollars!!! I think this amount completely surpassed all expectations.

Michael says to pass along his heartfelt gratitude and is truly in awe over what was accomplished that day. Thank you so very much and we hope that someday we may return the favor to each and every one of you.

With love,  
Lisa and the Malarsie family
